B. Prophecies to the Body of Christ that Stand TODAY:

1. Smith Wigglesworth in 1947: "There will come a time when those who emphasize The Word and the Spirit—they will come together and there will be NO decline. This move will take God's Complete Glory: coming from the Fullness of THE BLESSING. There will be an outpouring in the Islands of the Word. There will be no gradual decline like there has been for other Manifestations and Demonstrations" (or, "*Revivals*" - interpretation by Pastor Jerry).
2. Jerry Savelle in October 2014 (the very time when Gary Wood started the 3 year Prophecy and Instructions to Oasis of Life Ministries): "First there will be a Visitation from the Lord. That will be followed by a Manifestation of the Spirit. Then will come a Demonstration of the Visitation and Manifestation. The Body of Christ has been standing on the threshold of the Greatest Move of My Spirit the Earth has ever seen. It's Time to STEP into My Plan to produce My Glory: The Greater Glory."
