[the following Words from Jesus came to us at two different times during prayer]

(Pastor Jerry during the Pre-service prayer time: 9:45 am Sunday Morning — 22 Dec 2019)

“My people do not be concerned about what’s happening; do not be concerned about what you see, there’s a cleansing going on, a full cleansing.”

“I have the refiner’s soap, I have the refiner’s Oil and it’ll cleanse and purge this Nation; a nation that came together to serve Me, to Worship Me – they first loved Me and that became My Nation to spread My Word and spread the Truth around the world. And so, now I have the refiner’s soap out and I AM cleansing from North to South, East to West; I AM cleansing every aspect of every part of My Church and My Body. It will be cleansed, and you will see it and the world will see it and the world will know that I AM THE LORD!”

(Pastor Jerry during the Pre-service prayer time: 9: 50 am Sunday Morning — 5 Jan 2020)

“I am cleaning up My Church, says God. I am cleaning it; I am cleaning the Educational System, and I am cleaning up the Government.”

“The government will stand strong; it will stand powerful. Don’t be alarmed to the changes you see; don’t be alarmed about those who are leaving their posts — they were never assigned to those posts. I am going to assign people; I am going to put the right people in the right place to get the right job done.”

Hallelujah!

(Pastor Larry continuing...)

“And I will bring clarity of sight this year to those that I raise up and they will be seeing The Kingdom of God and working in that Kingdom producing those Kingdom rights — Kingdom Government throughout this land. They shall see it. People shall rise up and say, ‘There it is, that’s what I want, that’s what I need. That’s where we’re going to go.’”

Thank You, Father.... Amen
